Description of the park

Introduction

The area of TIC was extended to 1496 square meters from 31st December 2007. From that time the Centre offers new research activities and the development of Innovative business. TIC is managed as a combination of research centre and starting entrepreneurial activities, namely in these directions:

- a) Solar and other alternative energy programmes
- b) Engineering ecotechnology
- c) Optics and optical mechanics
- d) Research and techniques in sustainable use of landscape.

Services provided to innovation companies

by STP
external
Consultancy

business plans

-
-
- technological advisory
-
-
- patent advisory
-
-
- certification advisory
-
-
- financing advisory
